

BREATHLESS – JERRY LEE LEWIS (F)

Now if you love me then please don't tease
If I can hold you let me squeeze
My heart goes 'round and 'round,
My love comes tumblin' down
You leave me, ahhhhh, breathless-ah

Well, I shake all over, and you know why
I'm sure it's love honey, that's no lie
'Cause when you call my name
You know I burn like a wooden flame
You leave me, ahhhhh, breathless

Whooo baby, mmm, crazy, you're much too much
Honey I can't love you enough, It's all right, hold me tight
If you're gonna love me, then you love me right

Come on baby, now don't be shy
This love was meant for you and I
Wind, rain, sleet or snow
I'm gonna be wherever you go
You have left me, ahhhh, breathless-ah

pianosolo - Rock and Roll, brother! - guitarsolo
