

## ROCKIN' MY LIFE AWAY – JERRY LEE LEWIS (A)

---

Fourteen twenty-five, and forty ninety-eight  
I threw a rock an rollparty on my last birthday  
But it's good, rockin' my life away  
I've been movin' and a groovin' - and gettin' it both night and day

I got a gal called Nelly, she's chilly pepper hot  
She know how to roll, and she know how to rock  
I'm rockin', rockin' my life away  
I've been rockin' and a rollin' - and a movin' both night and day

Well a steamliner, fleetliner, military brass  
She knows the general's daughter but the killer's got brass  
I'm rockin', rockin' my life away  
I've been movin' and movin' - and getting' it both night and day

### **PIANO SOLO**

Yeah come on baby you know what I mean  
I like the way you shake that thing  
'Cause I'm rockin', rockin' my life away  
I've been g-g-g-g-getting' it both night and day – hit it James!

### **GUITAR SOLO**

You better get up, all, and rock up, oh, you don't know what you got  
'Cause I'm a man, message my mother, I've been gettin' into holes  
And I'm rockin', rockin' my life away  
I like a rock n' roll and I'm darn sure here to stay
